Dear Pastor and brethren:

We pray that when you receive this letter you are in good health and enjoying the Lord's blessings upon your life. Once again we would like to thank you for praying for us and with us for the people here in Mexico and for your faithful monthly support. We know God will bless you abundantly!

We are very happy because the Lord allowed us to celebrate our first anniversary here in the mission field. It was a great blessing and it also encouraged us to keep working for the Lord, we hope it will also encourage you, for you are a part of the ministry here in Mexico. God has blessed this ministry with brethren who are eager to learn more about our Lord and Savior

First anniversary preaching

Jesus Christ, and even though we are still small in number, we know the Lord will continue to add faithful people who seek Him. We ask that you please help us pray for the brethren here, most of them are in poverty because of the lack of employment.

Children's church

mid-week service

We recently started having our mid-week prayer service. We are thankful to the Lord because we have had a good turnout. As you can see in the pictures, we are still holding the church activities here in our house and the space is very limited. We had a building lined up but the owner would not rent it us because we are not catholic. We have faith that the Lord will supply to our need soon, so please help us praying that we can find a church building within our monthly budget.

Also, please pray with us for our monthly supporters and for our support not to go down. God bless you always.

Sincerely,

Benjamin Lara, missionary in central México
